GENERAL AREAS OF APPLICATION:

BiRAL JEEP can be used with confidence in all domestic lubrication applications around the home, garage and garden. Excellent for bicycles, garden implements, tools/power tools, boats, caravans etc.

JEEP is excellent for most general applications around the professional workshop and factory too. Also very useful for general maritime applications e.g: small boats and yachts.

JEEP is a superb 'multi-purpose' lubricant. For more specialised applications explore the BiRAL range or contact your local distributor.
